The Mayor of Boston is asking all the school boys and girls of that city to learn by heart the "Athenian Oath," which was used in ancient Greece.

"We will never bring disgrace to this our city, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the city. We will revere and obey the city's laws, and do our best to incite a like respect and reverence in others. We will strive unceasingly to quicken the public's sense of duty. We will transmit this city to those who come after us, greater, better and more beautiful than it was transmitted to us."
